

KONGSBERG

Kongsberg Seatex AS

Memo

To: Seapath 20 NAV customers

From: Finn Otto Sanne, Product Manager, Attitude Determination Systems

Copy:

Date: 2017-11-28

Subject: End-of-Life for Seapath 20 NAV

Kongsberg Seatex announces End-of-Life for the Seapath 20 NAV product.

The table below lists the product to be discontinued, the product that replaces it, until when the product will be available for order, until when last shipment can be scheduled and for how long we will continue to support and repair this product.

Discontinued product	Replacement product	Last order date	Last shipment date	End of support and repair
Seapath 20 NAV	SeaNav 300	1 st of December, 2017	1 st of December 2017	20 th of November 2023

New IMO THD (Transmitting Heading Device) type approved SeaNav 300 product replaces the existing Seapath 20 NAV product.
